

ECLIPSETM MAX

EclipseTM MAX takes professional-grade shelter to the next level with an open-ceiling design that enhances interior space & comfort. StormRodTM technology reinforces the canopy top to resist buckling in tough weather, ensuring your canopy stays secure in tough conditions. Built on the trusted EclipseTM platform, the MAX version delivers the same proven reliability with upgraded comfort & enhanced structural strength—making it the ideal choice for professionals who work through every season.

ELEVATED COMFORT & PROTECTION

Pro-Level Performance for All Conditions

FEATURES

- **Wide Open Interior**
Eliminates cross-bracing to provide a spacious feel.
- **StormRodTM Reinforcements**
Deflect wind, rain, & snow for reliable performance in unpredictable weather.
- **DualCoreTM Reinforced Frame**
High Strength 1015 Steel with internal leg reinforcements
- **Weather-Resistant Fabric**
Provides long-lasting weather resistance
- **E-Z GlideTM Leg Adjusters**
Engineered with debris drainage channels to slide easily in sand, dirt, or gravel.
- **Impact Resistant Components**
Maintain strength & integrity in tough field conditions.
- **No-Pinch E-Z Lock & Release Corners**
Fast, safe setup and takedown
