

The Patriot™ Vent canopy delivers fast, one-person setup with patented ONE-UP™ Technology that locks into place by pushing up on the center hub. Its vented top allows air to circulate while helping resist wind uplift, and the wide-open cathedral ceiling adds extra headroom for a more spacious feel underneath. Lightweight at just 35 lbs and easy to transport in its included roller bag, the Patriot Vent is a perfect match for everything from tailgates to beach days.

**ONE PERSON SETUP
IN 60 SECONDS OR LESS**

FEATURES

- **ONE-UP™ Technology**
Innovative center-locking hub enables fast setup by a single person in one easy motion.
- **Vented Top**
Built-in roof vent improves airflow and helps improve wind stability on breezy days.
- **Open Ceiling Design**
Elevated center hub creates more overhead space and a comfortable, open feel.
- **E-Z Glide™ Leg Adjusters**
Finger-friendly adjustment system allows for quick height setting changes.
- **Compact & Lightweight**
Weighs just 35 lbs. for easy transport with included roller bag.
- **Fire-Resistant Fabric**
Recreational-Grade canopy meets CPAI-84 and NFPA-701 fire safety requirements.
